Innovación con Conciencia: Comprometidos con el Desarrollo Sostenible.

En MANTRA, estamos comprometidos con el desarrollo sostenible. Como fabricantes, hemos orientado todos nuestros esfuerzos hacia la innovación, la satisfacción de las nuevas necesidades y el respeto por el medio ambiente.

Nos esforzamos constantemente por desarrollar nuevos diseños que no solo cumplan con los estándares de eficiencia, sino que también se adapten a las necesidades cambiantes de nuestros clientes. La innovación está en el corazón de lo que hacemos.

Somos conscientes de la importancia de utilizar los recursos de manera eficiente. Nuestros procesos de fabricación están diseñados para minimizar el desperdicio y maximizar la utilización de materiales reciclables.

Nos enorgullece contribuir a la sostenibilidad ambiental. Nuestros productos están diseñados con un enfoque ecológico, utilizando tecnologías que reducen el consumo de energía y minimizan el impacto ambiental.

Nos alineamos con varios Objetivos de Desarrollo Sostenible. Estamos comprometidos a liderar el cambio hacia un futuro más sostenible y esperamos seguir colaborando con nuestros clientes, empleados y comunidades para lograr un impacto positivo en el mundo que nos rodea.

In MANTRA, we are committed to sustainable development. As manufacturers, we have directed all our efforts towards innovation, meeting new needs, and respecting the environment.

We constantly strive to develop new designs that not only meet efficiency standards but also adapt to the changing needs of our customers. Innovation is at the heart of what we do.

We are aware of the importance of using resources efficiently. Our manufacturing processes are designed to minimize waste and maximize the use of recyclable materials.

We take pride in contributing to environmental sustainability. Our products are designed with an ecological approach, using technologies that reduce energy consumption and minimize environmental impact.

We align with various Sustainable Development Goals. We are committed to leading the change towards a more sustainable future and look forward to continuing to collaborate with our customers, employees, and communities to make a positive impact on the world around us.

Transformando ideas en experiencias: Donde el diseño encuentra la innovación moderna

En MANTRA el diseño circular es el núcleo de nuestra filosofía creativa. Nuestros talentosos diseñadores no solo crean productos estéticamente atractivos, sino que también están comprometidos con un enfoque sostenible y circular en cada nueva creación.

Cada diseño es concebido con un enfoque integral en el ciclo de vida del producto. Desde la selección de materiales hasta la facilidad de desmontaje. Tenemos en cuenta cómo cada componente contribuirá a la durabilidad y reutilización del producto.

Optamos por materiales sostenibles y de origen ético en nuestros diseños. Buscamos utilizar materiales reciclados o reciclables siempre que sea posible, reduciendo así nuestra huella ambiental y promoviendo un modelo de producción más sostenible.

Fomentamos la adaptabilidad en nuestros diseños. Creemos que un producto debería tener la capacidad de evolucionar con las necesidades cambiantes del usuario. Nuestros diseñadores incorporan la modificabilidad como un principio clave, permitiendo actualizaciones y personalizaciones sencillas para prolongar la vida útil del producto.

La innovación es esencial en el diseño circular. Nuestros diseñadores buscan constantemente soluciones creativas que minimicen el desperdicio y maximicen la eficiencia. Desde el uso de sistemas modulares hasta la incorporación de tecnologías avanzadas de reciclaje, estamos comprometidos con impulsar la innovación circular en cada paso.

Consideramos la experiencia del usuario como un componente crucial del diseño circular. Buscamos involucrar a nuestros usuarios en prácticas sostenibles, ofreciendo información clara sobre el mantenimiento, reparación y opciones de reciclaje para fomentar una mentalidad de consumo consciente.

En Mantra nuestros diseñadores no solo crean productos hermosos, sino que también lideran el camino hacia un futuro más sostenible mediante la implementación de prácticas de diseño circular. Estamos comprometidos a fusionar la estética con la responsabilidad, ofreciendo soluciones que no solo sean visualmente impactantes, sino también respetuosas con nuestro planeta.

LED GX53 NEW

Características

- * Voltaje: AC 170-250V 50/60Hz 104mA
- * 25,000 hrs. Vida útil
- * Encendido instantáneo con potencia total
- * Perfecta para reemplazar la bombilla incandescente de 75W
- * Baja temperatura al tacto
- * Libre de mercurio, libre de emisión UV & IR
- * Esta bombilla no es idónea para la iluminación de acentuación

Features

- * Voltage: AC 170-250V 50/60Hz 104mA
- * 25,000hrs long life time
- * Instant start with full bright output flick free
- * Perfect replacement for 75W incandescent bulb
- * Low temperature, safety to touch
- * No UV or IR emission, mercury FREE
- * This bulb is not suitable for accent lighting

12W GX53 Dimmable
